

CANON FOR EVANGELISM AND DISCIPLESHIP AT CHELMSFORD CATHEDRAL

Chelmsford

Chelmsford is one of the newest cities in the UK and is a great place to live - a vibrant city centre with easy access to London (35 minutes to Liverpool Street Station) to the west and the Essex countryside and coast to the east.

The region covered by the diocese is the whole of the ancient county of Essex, stretching from Clacton on Sea to Canning Town and from Southend to Saffron Waldon. It contains some of the wealthiest places in the region and the single most deprived community in the UK. The population continues to expand rapidly because of the ease of access to London, and populations continue to become more and more diverse. The diocese now has congregations who worship in Spanish, Portuguese, Malyalam, French and Bulgarian.

The Cathedral is at the geographical centre of the diocese and is home to thriving congregations which continue to develop. But the wider challenge for the Cathedral is how a small cathedral, punching above its weight and seeking to make a difference, can serve a large and complex region and the wider networks of the Diocese.

Mission and ministry

The mission and ministry of the Cathedral are rooted in John 20.21: "As the Father has sent me, so I send you" and is expressed in the four themes of the Strategic Plan - the Cathedral as:

- a thriving, outward facing community
- the church of the Bishop
- a community shaped by worship
- public space for everyone

The Cathedral - as the national church's free gift to the diocese - seeks to use its resources in the service of the networks of the city, diocese and region, delivering much of its ministry through the strength of its partnerships.

Being a Residentiary Canon at Chelmsford Cathedral

The Residentiary Canons work with the Dean, a small committed lay staff and a large number of volunteers in taking forward the core mission of the Cathedral. This mission, founded on John 20.21, is the dynamic at the heart of the Cathedral's life. It is expressed in worship, teaching, hospitality, social outreach, and – as the church of the Bishop – shares in the Bishop's ministry as evangelist and teacher across the diocese.

The core work of the Dean and Residentiary Canons is the daily prayer. They commit to pray Morning and Evening Prayer together daily and normally share in the daily Eucharist.

The Canons with the Dean share a range of governance and executive functions. All of them are *ex officio* members of the Cathedral Chapter, the Cathedral's governing body, which meets nine times a year, normally on Tuesdays. The Dean and Canons normally meet weekly with the wider ministry team for *lectio divina* and reflection. A working week for the Dean and each of the Canons, including prayer and preparation, is typically 60 hours.
