

Digital Friends

Everyone is welcome at Chelmsford Cathedral - and we need you to help us share the invitation.

Chelmsford Cathedral is creating a network of Digital Friends to help us connect with the wider community. By volunteering as a Digital Friend, you can help us to tell people about the Cathedral, our events and ministry by liking and sharing our social media posts.

Becoming a Digital Friend is a really easy way to support the work of the Cathedral. It's a completely flexible role that can be done at home in a way that suits each individual volunteer. We ask our Digital Friends to register as a volunteer by emailing Claire Snewin and encourage them to engage with the Cathedral online by liking and sharing a minimum of two posts a month from our Facebook or Instagram accounts. Each Digital Friend is free to choose which posts they share so they can pick information that interests them. From time to time we may also ask Digital Friends to help us spread the word about a special service or event. We email out details about these special events and how they can support them no more than four times a year.

If you would like to become a Digital Friend, please email claire.snewin@chelmsfordcathedral.org.uk to find out more.
